## Synopsis Books:

A large number of people each year make their reading decisions on the basis of prizes like the Booker and Orange Guide to Fiction. This new title in the successful *Must-Read* series provides an overview of prize-winning fiction over the decades.

With 100 titles fully featured and over 500 read-on

recommendations, this unique survey of literature incorporates some of

the finest contemporary fiction ever produced including Salman

Rushdie's *Midnight's Children* (Booker), Jonathan Coe's *What a Carve Up* (John Llewellyn Rhys), Andrea Levy's *Small Island* (Orange), Louis de Bernieres's *Captain Corelli's Mandolin* (Commonwealth Writers' Prize), Zadie Smith's *White Teeth* (Guardian First Book Award), Arundhati Roy's *The God of Small Things* (Booker).

As well as Booker and Pulitzer prize-winners the book also finds

room for those that have triumphed in less familiar prizes, such as the

Betty Trask and the John Llewellyn Rhys. It looks at prize winners in

certain genres such as crime and science fiction, as well as prize

winners from other countries: the French Prix de Goncourt and the

Australian Miles Franklin award. Because of the sheer range of prizes

across countries and genres - this is a diverse and rich list that no

book worm would want to be without.
