Synopsis Books:

The bestselling Peachville High Demons series continues with this special novella told from Jacksons point-of-view! It will be told in 2 parts of 20,000 words each (approx. 65 pages).

In order to move toward my future, I knew I would have to face my past. If Harper was to ever really understand me, she would have to also understand my greatest triumphs and my darkest secrets.

Jacksons past is complicated, but he needs for Harper to understand what he's been through before the war with the remaining priestesses of the Order begins. Part flashback, part present day, A Demons Wrath will take you on a journey through both Peachville and The Shadow World where you will learn more about Jacksons life just before and after his brother Aerden was taken by the Order of Shadows.
