## Synopsis Books:

EVERY THIEF DEALS WITH Challenges.  
GREGG HADYN CRAVES THEM.

International jewel thief Gregg Hadyn is stealing diamonds, and he cant be caught. But when Gregg accidentally kidnaps covert espionage operative Carly Macklin during a heist, he finds that he escapes with more than he bargained for.

As Gregg wrestles with attraction for Carly versus a career that puts them squarely at odds, Denny Garret, the former FBI agent who chased Gregg unsuccessfully for twelve yearsand now Carlys bossrenews his commitment to apprehend the notorious thief.

Caught in the crosshairs of Dennys pursuit, Gregg matches wits with his nemesis in a real-life chess game. The winner will decide Greggs destiny. Will he continue his illustrious criminal career? Might he get caught and go to jail? Orcould there be another, totally unforeseen, option?
