## Synopsis Books:

A mountain goes up. A valley goes down. Where does a hug go? A hug goes around. As soon as the rosy sun rises, a hug starts going around a big, loving family. The hug starts when Ma lifts the baby, then moves on to Tom, who spills the pancake syrup, then jumps over to Lizzie, who is frightened by a thunderstorm, and on through the day until ...Teeth are all toothbrushed. Prayers have been said. Children are snuggly, Tacked into bed.

From dawn till dusk, through adventures and mishaps, this family's there for one another-with arms open wide! A joyful, cozy read-aloud story for the whole family to embrace, by best-selling author Laura Krauss Melmed and Caldecott Honor artist Betsy Lewin, this book is sure to start its own share of hugs going around.
