Synopsis Books:

Our past was painful and a lot of mistakes were made, but that was then - this is now.

Mia wants a fight? I'll give her one.

She wants to leave me? I'll make her stay.

This is our future. She belongs to me.

Our past wasn't just painful, it was soul-shattering, and no amount of time will change that.

Adam wants a fight? Bring it.

He won't let me leave? I'll make him pay.

This is my future. I don't belong to him.

Follow Adam and Mias journey through the deliciously dysfunctional madness they like to call...marriage.

Authors note: This is the third book in the This Cant be Happening Series, but it can be read as a stand-alone.

Authors warning: Mature content, lots of cussing (as in, A LOT), a five-foot-three, redheaded, terror of a woman and a sexy, possessive, crazy, hot alpha cop.
