## Synopsis Books:

Wedding heaven or wedding hell?

Life simply couldn't be better for Erin Boswell. At twenty-seven, she is engaged to the simply divine Jay Keskar - and every minute of her day currently revolves around planning the wedding of her dreams. Until, that is, Jay's parents announce that they want to 'discuss' things - and this is when Erin's wedding heaven turns into her wedding hell . . .

Tavish and Deena are Indian and have very firm beliefs about the form of wedding their only son should have. Of course, they say, Erin will be wearing a sari. And of course all the Indian pre-wedding ritual ceremonies - including tilak, mehendi, sangeet - will be observed.

As Bollywood comes to Berkshire, can East eventually meet West in perfect harmony? And if not, will Erin and Jay's dream wedding even take place?
