Synopsis Books:

Norman Mailers dazzlingly rich, deeply evocative novel of ancient Egypt breathes life into the figures of a lost era: the eighteenth-dynasty Pharaoh Rameses and his wife, Queen Nefertiti; Menenhetet, their creature, lover, and victim; and the gods and mortals that surround them in intimate and telepathic communion. Mailers reincarnated protagonist is carried through the exquisite gardens of the royal harem, along the majestic flow of the Nile, and into the terrifying clash of battle. An extraordinary work of inventiveness, Ancient Evenings lives on in the mind long after the last page has been turned.
