Anna is looking forward to her senior year in Atlanta, where she has a great job, a loyal best friend, and a crush on the verge of becoming more. Which is why she is less than thrilled about being shipped off to boarding school in Paris--until she meets tienne St. Clair. Smart, charming, *beautiful*, tienne has it all...including a serious girlfriend.

But in the City of Light, wishes have a way of coming true. Will a year of romantic near-misses end with their long-awaited French kiss?
