Synopsis Books:

Anya Rosen and her family have left their home in Odessa for Shanghai, believing that China will be a safe haven from Hitler's forces. At first, Anya's life in the Jewish Quarter of Shanghai is privileged and relatively carefree: she has crushes on boys, fights with her mother, and longs to defy expectations just like her hero, Amelia Earhart.

Then Anya finds a baby--a newborn abandoned on the street. Amelia Earhart goes missing. And it becomes dangerously clear that no place is safe--not for Jewish families like the Rosens, not for Shanghai's poor, not for adventurous women pilots.

Based on a true story, here is a rich, transcendent novel about a little-known time in Holocaust history.
