## Synopsis Books:

Xander Kostanidis is a bastard and he knows it. He pretty much don't give a damn what anyone thinks about him one way or the other, so it's cool. Now he's decided that it's time to get started on his dynasty and he needs to find a nice, pure virgin; because his mother would skin him if he got one of his usual skanks in the family way.

When he catches sight of the lovely Bianca on the street one day, he sets out to...acquire her, by fair means or foul.
