Synopsis Books:

A Billboard Must-Read Fall 2015 Music Book

The first comprehensive biography ever published about America's favorite living pop icon, Beyoncé, from *New York Times* bestselling biographer J. Randy Taraborrelli.

Beyoncé Knowles is a woman who began her career at the age of eight performing in pageant shows and talent contests, honing her craft through her teenage years until, at the age of 16, she had her first number one record with Destiny's Child. That hit-making trio launched Beyoncé's successful solo career, catapulting her, as of 2014, to #1 on *Forbes* annual list of most wealthy celebrities--the same year she made the cover of *Time*. BECOMING BEYONCÉ is not only the story of struggle, sacrifice, and what it takes to make it in the cut-throat record industry, it's the story of the great rewards of such success and the devastating toll it often takes on the human spirit.
