Sawyer's story from The Art of D/s trilogy. Can be read as a stand alone novel or as a companion to The Art of D/s Trilogy.

Warning: Contains detailed sexual encounters, BDSM themes, oral, anal, mnage, F/F, breath play and profanity. Not for the closed-minded, prudish, sexually inhibited, easily offended, or fainthearted.

Reliable, trustworthy, loyal to a fault - Sawyer is the kind of man other men want to be. But behind the facade of his tough exterior and deadly silence hides a strong, tortured man with dark secrets. Always having been content to be in the shadows, now is the time of his sexual awakening.

When Sawyer realizes that there are women who unabashedly want to be dominated and controlled, and that there is a world that embraces such things as domination and submission - everything seems to fall into place. Tired of pretending to be someone he isn't and suppressing his dominant tendencies, he takes the leap into the world of BDSM under the guidance of his friend and mentor, never to look back.

But his dark past and heinous actions are hard to forget, and even more difficult to leave behind. Will he be able to move forward and become the man he yearns to be?

This is Sawyer's journey into becoming Dominant, Master, *Sir*.
