Synopsis Books:

With this stunning debut novel, *New York Times* bestselling author Lauren Oliver emerged as one of today's foremost authors of young adult fiction. Like Jay Asher's *Thirteen Reasons Why* and Gayle Forman's *If I Stay*, *Before I Fall* raises thought-provoking questions about love, death, and how one person's life can affect so many others.

For popular high school senior Samantha Kingston, February 12 "Cupid Day" should be one big party, a day of valentines and roses and the privileges that come with being at the top of the social pyramid. And it is until she dies in a terrible accident that night.

However, she still wakes up the next morning. In fact, Sam lives the last day of her life seven times, until she realizes that by making even the slightest changes, she may hold more power than she ever imagined.

Named to numerous state reading lists, this novel was also recognized as a Best Book of the Year by Amazon.com, Barnes & Noble, *The Daily Beast*, NPR, and *Publishers Weekly*. It has been optioned for film by Fox 2000 Pictures.

Supports the Common Core State Standards.
