## Synopsis Books:

Caught between two worlds, Susannah Jacobs must make a choice. Her husband will take her back out of duty, but the Algonquin warrior, who has claimed her as his woman, will cross the rivers and mountains to find her. Nothing will prevent Tonnewa from coming for her. Nothing will prevent Susannah from returning to him.

Married at fifteen to a man twice her age, Susannah has lost one baby. Now pregnant again, she's taken captive by Algonquins. Far from home and alone, she fears for her life and that of her unborn child. Tonnewa takes her as his woman rather than see her put to death.

Tonnewa wants both the woman and the child. Susannah has known neither kindness nor gentleness and never expected it from a savage. She will give up her whole way of life for him. He will remake his for her.
