## Synopsis Books:

One unbelievably desirable banker. Kisses could melt the U.S. mint. Short-term loans only. Former debutante Holly Prescott had shunned her wealth and its trappings for a simpler life. But a foolhardy promise to "buy a bachelor" at a charity auction led her to an unexpected man: successful banker Eric Alden. Eric refused to submit to the highest bidder. Instead, he targeted Holly -- a woman he could trust -- to be his date. The transaction would be simple... no strings attached. Yet the attraction between them was too magnetic to ignore... and too explosive to continue.
