Synopsis Books:

Can she accept the destiny being thrust at her?

For weeks, the darkly sinful Zachariah, her favourite customer at McGintys, has been raising NYC student Beth Siegels pulse, driving her crazy with need.

Neither can she keep the tall, blue-eyed mysterious Luke who haunts the library stacks at her day job, out of her mind or her sweaty, desperate fantasies.

Fate hands Beth a startling destiny: to bond with both of them a bond formed via sex. Sex with either one of them would have been fabulous. Together? Irresistible.

But fate is a two-edged sword and the bond comes at a price. Luke and Zack are not what they seem, and the world as Beth knows it not quite the real deal. Can Beth accept the price the bond will ask of her?

Warning: This story features two super hot alpha heroes, multiple sex scenes, including anal sex, MM sexual play, and MMF sex. Do not read this book if frank sexual language and sex scenes offend you.

No non-humans were harmed except for large numbers of Grimor, who died with satisfactory squeals

Beth's Acceptance is the first book in the Destinys Trinities series:

Book 1: Beth's Acceptance

Book 2: Mias Return (to be released October 4, 2013)

Book 3: Seras Gift (to be released October 18, 2013)
