## Synopsis Books:

Following the events of his last adventure, Erik Ashendale is having some serious doubts about . . . well, just about everything. He is doubting his power, his apprentice's progress reached an impassive point and his sister's information is yielding nothing. The Sins can attack at any time, and our hero has no idea what to do.

So he turns to Sun Tsu, an old friend who provides Abi with a few tools and a friendly ear to Erik's tale: the obscure history of Erik Ashendale and how he went from a regular kid born into a rich Warlock family to the hunter we all know and love today.
