Synopsis Books:

Rosemary Bliss family has a secret. Its the Bliss Cookery Bookean ancient, leather-bound volume of enchanted recipes like Stone Sleep Snickerdoodles and Singing Gingersnaps. Rose and her siblings are supposed to keep the Cookery Booke under lock and whisk-shaped key while their parents are out of town, but then a mysterious stranger shows up. Aunt Lily rides a motorcycle, wears purple sequins, and whips up exotic (but delicious) dishes for dinner. Soon boring, non-magical recipes feel like life before Aunt Lilya lot less fun.

So Rose and her siblings experiment with just a couple of recipes from the forbidden Cookery Booke.

A few Love Muffins and a few dozen Cookies of Truth couldnt cause too much trouble . . . could they?

Kathryn Littlewoods culinary caper blends rich emotional flavor with truly magical wit, yielding one heaping portion of hilarious family adventure.
