## Synopsis Books:

This is not made for TV. This is the raw, brutal underground of no-holds-barred combat. Inside the cage there is nothing but me and the pain I inflict on those who dare enter. In the cage, I never have to worry about anyone but myself. Yet, when she began standing outside of the cage, everything changed. I was no longer fighting for the money or the glory I was fighting for her. "Hands down one of the best books Shay has ever written....Five plus stars. I couldn't put it down once I started it." - Teresa, Two Girls with Books
