Synopsis Books:

On the wildly popular show *Iron Chef America*, Cat Cora uses her instincts to transform random ingredients into exciting creations on a moments notice. In this book, she turns her eye to some of our most popular dishes to make them faster, fresher, and lighter. These are the swift meals that Cat relies on when she comes home from work to cook for her own family: Greek-Style Nachos, Grilled Chili-Lime Flank Steak Soft Tacos, Crispy Baked Fish Stix with Mustard Dipping Sauce, Quick Chicken Curry with Peas, and Sour-Cherry-Filled Chocolate Cupcakes.

In dishes like Baked Fried Calamari with Marinara Dipping Sauce and Tex-Mex Tuna Casserole, Cat puts a new spin on old favorites. She updates others, tossing chipotle-spiced croutons into a Caesar salad, or replacing the usual beef in stroganoff with chicken and adding fresh tarragon. Each recipe illustrates Cats motto: just because a dish is a classic doesnt mean it cant be improved upon.
