## Synopsis Books:

In this companion to her successful introduction to cat behavior **Think Like a Cat**, Pam Johnson-Bennett, the award-winning author and feline behaviorist, shows how adding another cat to your home does not have to be the start of a kitty apocalypse. Although cats are often misunderstood as natural loners, Johnson-Bennett shows how to plan, set up, and maintain a home environment that will help multiple cats and their owners live in peace. **Cat vs. Cat** will help readers understand the importance of territory, the specialized communication cats use to establish relationships and hierarchies, and how to interpret the so-called bad behavior that leads so many owners to needless frustration. Offering a wealth of information on how to diffuse tension, prevent squabbles and ambushes, blend two families, or help the elder kitty in your family, **Cat vs. Cat** is a welcome resource for both seasoned and prospective guardians of cat families large and small.
