In times of stress Jillian Descharme has always found calm in her dream of a great white wolf with haunting blue eyes. But she is startled when the visions return and this time seem so real. Late at night he comes to her, speaks to her, touches her. It's almost as if he's alive...

Thirty years ago James Macleod lost his wife and unborn child to a killer bent on destroying the Changelings. Though he longed for death, his animal instinct fought for survival and James has been a wolf ever since. Yet now a woman has reawakened the man in him, taming wild instincts but arousing still wilder needs. With his ancient enemy hunting the legendary white wolf, James must fight for new life, new hope, new love.
