Synopsis Books:

How many ways can you express boundless, fearless love? In Chasing The Chalice: A Collection of Verses, poet Laura Charlotte Berlin offers nearly as many soul-stirring sentiments of unfettered romance as there are letters in the alphabet. With grace of pen and fullness of heart, this rousing collection of twenty-four romantic poems is meted out in letters of the alphabet, offering one finale verse for letters X, Y, and Z. A light touch and unabashed optimism define this blissful book, making it a perfect gift for a paramour or for anyone who would benefit from an enthusiastic belief in the power and potential of love.

Exploring the ways in which anyone can attain the divine with another individual, the tender, triumphant verses in this collection come together to celebrate the choice to move toward happiness in matters of the heart.
