Synopsis Books:

Stephen King's unparalleled imagination is in full force in this collection of four unabridged short stories originally found in the classic, *Nightmares & Dreamscapes*. An all-star cast of readers bring to life these timeless stories from the darkest places.

A pair of metal teeth in a convenience store may prove to be more than a novelty in *Chatterly Teeth*. In *My Pretty Pony*, an elderly man on his deathbed warns his young grandson against the dangers of letting time slip away. A music exec learns that his dream job may lead him to a dark and murderous past in *Sneakers*. And in *Dedication*, a maid working in a hotel uses black magic in the hopes of benefitting her unborn son.

Kathy Bates, Jerry Garcia, Daniel Cronenberg and Lindsay Crouse lend their voices to this haunting collection of classic stories that no Stephen King fan should be without.
