## Synopsis Books:

Now heres where it gets complicated Part 1 of City comes out in late June from Random House Canada and Little, Brown UK (whove both been my publishers since Bitten.) Theyre starting it as a 6 part e-serial, with weekly releases all summer. In the US, though, Ive moved to St. Martins for this, so they cant follow the e-serial idealong story, lots of boring contractual stuff involved in changing publishers. Theyll bring out the novel in ebook and print in Spring 2016.
