Synopsis Books:

A Candlelight Regency Special #661

"You have stripped this child of her good name and must replace it with your own. I insist that you marry her!" High-spirited, hot-tempered Stacy Prescott had sworn she would never wed an elderly stranger. Now, her escape with young Laurie Kendall thwarted, she stood at Anthony Kendall's side as her guardian delivered his ultimatum. But cold, arrogant Lord Kendall was determined to marry Miss Chetwin. Lady prim and Lord Proper. Could a madcap minx of a girl upset his carefully made plans? Could fire melt ice and turn a dreadful mix-up into a delicious romance and a surprisingly spicy marriage?
