Synopsis Books:

For Virgil Cain, a day of fishing on the Hudson River yields more than he bargained for when, while pulling up anchor, he hooks onto a mysterious steel cylinder. As word of Virgil's strange catch spreads around the local marina, it draws the attention of a crooked city cop, who seizes both the cylinder and Virgil's boat. Soon, an old drug deal gone sour floats to the surface, and to get to the bottom of it and to get his boat back Virgil teams up with a captivating single mom, Dusty, who knows far too much about the cylinder and the pure cocaine it contains. When her past comes calling, the landscape is cluttered with the dealer who claims ownership of the cylinder, his murderous sidekick, and a wild card in the form of a crazy Russian cowboy. Virgil and Dusty find themselves trapped square in the middle of it all. And looking for a way out.
