## Synopsis Books:

### A New Generation

Laria and Thian Raven-Lyon inherited their mother's legendary powers of telepathy, telekinesis, and teleportation, making them Prime Talents without peer despite their youth and inexperience. Assigned as liaisons to the Mrdini, the Alliance's alien allies who can only communicate telepathically with most humans, Damia' children hope to forge a better relationship between the two races especially as they prepare to face a threat capable of rendering whole species extinct.

### An Ancient Enemy

The Hive has one purpose: to breed. Hive ships travel the galaxy, colonizing one planet after another, annihilating all native life in the process. Now the Alliance and the Mrdini have sent a combined fleet to find the Hive homeworld. The Mrdini want to destroy it. The Alliance wants a peaceful solution. In between stand Laria and Thian, on the front lines of an interstellar war...
