Dark Horse brings these adventures to America for the first time in a series of durable books for readers of all ages On a cold winter morning all that the two cats Dayan and his friend Jitan can think about is the Eurocka Festival, which will be filled with all kinds of winter games. But on this extra-cold morning Dayan and Jitan visit the nearby beach and find the sand filled with the most wonderful animals that they've never seen before: polar bears, penguins, seals, and walruses have all come to visit from the frozen north.
