Synopsis Books:

No sooner have Toots Loudenberry and her three best friends--Sophie, Ida, and Mavis--returned from Sacramento, where Sophie provided some much-needed psychic advice to the First Lady of California, when another situation demands their attention. . .

Laura Leigh, a Hollywood starlet whose main talent seems to be landing in trouble, is missing. Toots' daughter, Abby, has both a personal and professional stake in the story. Not only is she editor-in-chief at gossip magazine The Informer, but entertainment attorney Chris Clay, Abby's would-be beau, was the last person seen with Laura. And now he's missing, too.

With the help of friends in high--and low--places, the Godmothers will navigate Hollywood's glittering inner circles and seedy underbelly to discover the truth. Along the way, they'll uncover unexpected secrets that not even one of Sophie's sances could have predicted. . .
