Synopsis Books:

Delilah Gonzales loves cowboys. She has from very early in her life. But, those in her hometown didn't show much interest, or respect, so she has sworn them off. Plus, she always seems to fall head over heels for them and they always seem to leave. That's before she gets hired as the Bartlett Ranch's cook and housekeeper. When she is faced with not one, but four, gorgeous brothers, she finds herself reevaluating her cowboy ban.

The Bartlett Brothers have been looking for a woman for all them. They each have different needs, wants, and Delilah seems to be the one to fill them all. It doesn't take long before they have her in their bed. But, when she is faced with choosing them over her family, will she stand up to her overbearing brothers, or leave the brothers with broken hearts?
