Synopsis Books:

Dessert Schneider has her very own personal style. But sometimes walking to the beat of her own drum means walking right into a heap of mischief, especially when it comes to the legendary family recipe (and Dessert's all-time favorite treat), Grandma Reine's Double-Decker Chocolate Bars. As the oldest in a rambunctious, restaurant-owning family, with a four-year-old sister who is going through a "phase" and two little brothers called the Beasties, Dessert seems to be better at getting into trouble than getting out of it. And that's because for this eight-year-old, saying sorry is definitely not a piece o'cake!
