The little death is so much better when you're dead.

My master throws the best parties, and he's going to be watching my performance tonight. Performance doing what? Oh, you know: fucking, feeding, mingling with royalty, sleeping my way to the top. The usual. By the end of the night, I'll be a sticky mess or I haven't done my job right. But that's life for a vampire fledgling. Besides, I'm way sluttier than the other girls. It's a gift.
