Synopsis Books:

How do you cope when God asks you to bury a dream? In this new series by best-selling author Angela Hunt, readers will meet Jennifer Graham, the no-nonsense chief of staff for a Virginia senator who quits her job after a divorce and finds herself an unemployed single mom. Forced to live with her mother until she can find work on Capitol Hill that does not involve her gregarious ex-husband, her efforts are stymied until she learns that she has inherited a funeral home in picturesque Mt. Dora. Jennifer journeys to the small Florida town with her two sons and her mother, never dreaming that within a mortuary she will discover she has inherited a rewarding career that teaches her far more about life than death.
