Synopsis Books:

One drop of her blood
The moment when you realize sleeping without a nightlight
did nothing to prepare you
for the dark chasing you into daylight?
Yeah. That.

Could start a war
Only when I face life on the run alone do I realize
how well Mama trained me to protect myself.
If only shed had time to explain
why her tears turned to crystals when we parted,
and what Im destined to become.
And bring an end to Humankind
Now I can trust no one, especially Enoch.
This all started the day he showed up looking for me
and he seems to be everywhere I gobefore I get there.
Is he one of the Undying? Or something Other?
The answer may be my deliverance
or make me wish I were dead.

DONOR (Shreya's Chronicles Book 1) follows Shreyas journey from an ordinary sixteen-year-old girl living in upstate Louisiana to a fugitive on the run from the law, the unlawful, and those beyond any natural laws known to Humankind.

This Book includes all four parts:

DONOR Part 1: A Bat Out of Hell

Life after high school for Shreya means a local college, local job, settling down with a nice local boy (the lacrosse team captain), and the white picket fence with the solar panels and the two-hovic garage. Shes a homebody. But life has different plans for Shreya and is about to teach her that leaving home is never a choice and everything shes ever believed about her identity, is a lie.

DONOR Part 2: The Jeweled City

Shreya travels to New York to decipher the book of scrolls. But the City that Never Sleeps is also a mecca for the Undying. Will she get lost in the crowds, or stand out and be devoured for the secrets she holds in her blood?

DONOR Part 3: A Silver Lined Grave

When Mr. James and his Cyber Thugs find her in New York City, Shreya accepts Daxs offer for a place to hide. Unfortunately, that means going deep down into New Yorks subterranean tunnels, where darkness is just a light switch away.

DONOR Part 4: The Heart of the Enemy

The end of this serialized novel finds Shreya escaping her underground trap only to end up in the hands of her worst enemy and her greatest temptation, Enoch.
