Synopsis Books:

While developing a story about vandalized homes in one of L.A.s ritziest enclaves, *Crime Sheet* columnist Molly Blume discovers a seething conflict brewing between residents who want to remodel their houses and those who wish to restore the integrity of the historic neighborhood. When the warring factions collide, Molly investigates the various crime sites: graffiti, shattered windows, smashed concrete. As her sleuthing continues, the violence escalates ultimately to arson . . . and the tragic death of an elderly man who has spent the last five months searching for his missing daughter. Was the fire an accident? Where does hostility end and evil begin?
