Synopsis Books:

This book CAN be read as a standalone, but for full enjoyment of the series read it in order

Sarah

In my wild, reckless past Carlos Beach Rodriguez would have been my ideal man. Hes handsome, experienced, rich, kind, and in complete control of his destiny. Unfortunately hes also a criminal, the President of an outlaw motorcycle club, and Ive sworn off bad boys in my efforts to live my dream of being normal. It would be so much easier to resist him if he hadnt saved my life more than once and didnt treat me like his queen.

Beach

Gorgeous, smart, and deadly, Sarah is my ideal woman, even if she is almost young enough to be my daughter. On the surface shes one of the toughest females Ive ever met, but underneath all that hard beauty and menace lies an incredibly tender heart thats been damaged in the past. Winning her love is gonna be a challenge, but Im determined to have her as my old lady and Ill do whatever I have to in order to make that happen. That would be a hell of a lot easier to do if people werent trying to kill us all the time.

Author's note- This is part ONE of TWO for Beach and Sarah's story and ends on a Happy For Now. Book TWO of Beach and Sarah's story will be available March 3rd, 2016.
