Synopsis Books:

Julia Burns cant remember a day in her life when she didnt have to work. So the ad in the paper sounds perfect to her even if she does have to marry a complete stranger.

Nicholas Steele isnt used to being around people since the accident that left him disfigured. Having a permanent house guest isnt his idea of fun, however, the press would have a field day if they found he and his new wife werent residing together.

On paper, their fake marriage fits both their needs, giving Nicholas a wife and Julia the security she's always dreamed of having. In reality, every moment Nicholas and Julia spend together brings them closer to falling for each other.
