## Synopsis Books:

Old books, young love and Jane Austen-

a thrilling literary mystery from the *New York Times* bestselling author of *The Bookman's Tale*.

Book lover and Jane Austen enthusiast Sophie Collingwood has just started working at an antiquarian bookshop in London when two different customers request a copy of the same obscure book: the second edition of *Little Book of Allegories* by Richard Mansfield. Their enquiries draw Sophie into a mystery that will cast doubt on the true authorship of *Pride and Prejudice* and ultimately threaten her life.

Interspersed with Sophies quest for the truth is the touching account of a young Jane Austens friendship with an ageing cleric, Richard Mansfield. Romantic, suspenseful and compelling, *First Impressions* is about love in all its forms and the joys of a life lived in books.
