Synopsis Books:

A FEAR SHE CAN'T ESCAPE

Nine years ago, Perry fled her thrall contract to find sanctuary among the Nighthawks. In that time, she's become a respected member of the Guard, and she's wanted Garrett Reed for as long as she can remember. But when a new case takes a chillingly familiar turn, Perry finds herself once again in the path of a madman...only this time, there's nowhere left to run.

A DESIRE THAT CAN'T BE TEMPERED

Out of their depth and racing against time, Perry and Garrett must learn to trust the desire sparking between them...or risk losing themselves forever to the darkness stalking London's streets.
