## Synopsis Books:

Nick Valentine has problems. Hes a drunken ex-cop who lives in his shabby office, hangs out at strip clubs, and has only one real friend Frank Sinatra. But hes one of the best private investigators in St. Louis. So when an inept crew robs a credit union, only Valentine can figure out who made off with the millions.

Sometimes solving a crime takes a hard guy whos not afraid to work outside the law, and Valentine scrambles through the underbelly of St. Louis looking for answers. With every law he breaks, every drink he takes, and every Oxycontin he snorts, Valentine lurches closer to finding the truth. Or floating facedown in the Missouri River.

Brutally funny, wild, this no-holds-barred crime novel reads like Elmore Leonard on meth. Crazy and addictive, youll want more.
