Synopsis Books:

Wild Irish, Book FiveFriday's child is loving and giving...Ewan Collins has had the hots for Natalie for years but she continually rebuffs him, supposedly because of their age difference. When Natalie comes to stay with the Collins family for a week, Ewan decides it's time to make his move in a serious way.Natalie's been in a funk since celebrating another birthday alone. When Ewan proposes to help her "get a life"-seven lessons in seven days-she figures, what the hell does she have to lose? Ewan's plans include tequila shots, fishing, karaoke...and other, more erotic hands-on demonstrations.But Nat's loneliness isn't Ewan's only obstacle. Tragedy in her past continually takes Natalie to a dark place her mind can't easily overcome. With support, tenderness and love, Ewan plans to win over Natalie one lesson at a time.Starting with lessons of the heart.
