Synopsis Books:

Vivian Delaney leads a life of privilege, but behind closed doors she feels isolated and trapped in a gilded cage. Unable to achieve sexual pleasure with her husband, she finds herself in the capable hands of Anton, a massage therapist intent on awakening her to her full sexual potential. By any means necessary.

As their secret meetings progress, she falls farther down a rabbit hole where the line between rape and illicit affair grows increasingly blurred. Anton will accept nothing short of her complete surrender as he molds and shapes her to be sold to the highest bidder.
