Synopsis Books:

Sophia is in hiding in Treasure Town. She's scarred physically, mentally and emotionally and it takes time for her to open up and trust even making a friend. After everything her ex has put her through as well as the feds not being able to protect her she truly fights against letting her guard down for four Navy SEALs trying to get into her heart. But they are persistent, damn sexy and determined. How could she not fall in love with them? They are patient and understanding as they help her to heal. Just as it seems her new life is perfect and she's well-protected, her ex sends men to find her, to kill her new lovers and to take her away. She thinks her SEALs are dead, but just as she fights for her life and is ready to die, she finds out that her Navy SEALs will do anything for her love and that there is nothing stronger than the burning love of five hearts on fire.
