Synopsis Books:

Saving lives is what nurse Shannon Deacon excels at. The fast pace of the emergency room provides a distraction from painful memories of being left at the altar. Until she discovers that her next-door neighbor happens to be her ex-fiancé's brother. Dr. Ben Brouwer feels just as uncomfortable around Shannon. He, too, conceals a hurting heart by devoting himself to his work. Yet there's an undeniable attraction between them and two determined matchmakers are working overtime to get them together. Can Ben help Shannon realize that maybe she's been holding on to her wedding dress after all this time for a reason?
