Synopsis Books:

Friendships with other women are as important to our mental, physical, and spiritual health as rest, exercise, and prayer. We don't just want friends--we need friends. Yet sometimes they can be as difficult as singing a song without the lyrics.

If you've ever been hurt by a friend, struggled to balance friendship with everyday life, or seen a friendship end too early, *Heart Sisters* will help you:

- Overcome your fear of being hurt by other women,
- Practically examine issues so you can work your way through conflicts,
- Recognize when it's time to establish healthy--and holy--boundaries,

- Discover the secret to authentic friendships.
