Synopsis Books:

Long before she ran away with Paris to Troy, Helen of Sparta was haunted by nightmares of a burning city under siege. These dreams foretold impending war that only Helen has the power to avert. To do so, she must defy her family and betray her betrothed by fleeing the palace in the dead of night. In need of protection, she finds shelter and comfort in the arms of Theseus, son of Poseidon. With Theseus at her side, she believes she can escape her destiny. But at every turn, new dangers, violence, betrayal, extortion, threat of war thwart Helens plans and bar her path. Still, she refuses to bend to the will of the gods.

A new take on an ancient myth, *Helen of Sparta* is the story of one woman determined to decide her own fate.

The sequel to *Helen of Sparta* will be published by Lake Union Publishing in May 2016.
