Synopsis Books:

Engulfed in anxiety, frustration and constant constipation, Henrietta Martha James spends her time writing angry letters to Taro Gomi, the acclaimed author of Everyone Poops. She is demanding a formal apology...an explanation...the possibility of rewrites...or at least a change to the title of his book because she, Henrietta, does not poop. Well, not like everyone does. Growing up with an illness that doctors struggle to diagnose, Henrietta constantly hears how she is supposed to be, while discovering that normal does not apply to her at least not the way her body works.
