Synopsis Books:

A Bad Girl's Secrets

Years ago, when Maddie Gray ran away from Yella, Texas, pregnant and alone, she left behind an undeserved reputation and her young lover, rancher and oil heir John Coleman. Now she's on the edges of his sophisticated world once again, determined to keep *all* her secrets.

With Maddie back in his life, Cole finally has a chance to forget her for good if he can. The single mother is more beautiful, passionate and mystifying than ever, and John will stop at nothing to get at the truth. Even if that means making her his wife.
