Bethany had one more year of school left, and once again, poverty strikes hard. The only option would be to encourage her mother to marry her new boyfriend Kent, a billionaire tycoon in the world of accounting.

Mom is more than happy to move the wedding date up, and Bethany's soon-to-be father is willing to pay for her schooling - on one condition.

She work for his firm as an intern throughout the next year.

She agrees without hesitation, but little does she know that Kent's oldest son, Damon is the CFO. Dark features and a stare that would melt panties, he's everything one might imagine of a Billionaire's spoiled alpha son.
